

## **MUNİS ÖZER**

Graduated from Civil Engineering Department of Middle East Technical University (METU) in 1976 and received his master's degree in 1980 from the same university. He was assigned as Project Manager to major overseas projects and miscellaneous NATO projects when he was with GEMAŞ between 1977-1987.

In 1987, he founded TMA Mühendislik Ltd. Şti. with two colleagues and participated in most of the projects undertaken by the firm as either Project Manager or Senior Design Manager. As a partner of TMA Mühendislik Ltd. Şti., he is responsible for the management of numerous projects both in Turkey and abroad. The projects that he managed in Libya for 10 years include the design of civil, hydraulic, infrastructure, structural, electric and instrumentational works of water conveyance systems, pump stations, motorways, etc. He is also responsible for the design and coordination of projects for American Embassy and American Air Force in Turkey.

After the democracy war in Libya, he worked as the Project Manager on Pristina International Airport, Adem Jashari and Cairo International Airport projects. And currently he is managing KKTC Ercan International Airport project.

Munis Özer is an institutional member and the President of TMMMB (Association of Turkish Consulting Engineers and Architects). He is also Vice Chairman of DEİK (Foreign Economic Relationships Board), International Technical Consultancy Council.
